

SRI RAM NARAYAN SINGH MEMORIAL HIGH SCHOOL

Enriching
India's Tomorrow

PROSPECTUS

A school with a rich heritage

The school's journey began on 31st March 1963 with the vision of Eminent Educationist Prof Ram Narayan Singh and his wife Mrs. Tribeni Singh as inspiration. The name of the school initially was Tarakeshwar Vidya Bhawan.

After the passing away of Prof Singh, to commemorate his blessings and contribution to the cause of Education the trust renamed the School as Sri Ram Narayan Singh Memorial High School. The school has grown in strength under the able leadership of Mrs. Usha Singh. The school now has a vision to contribute to larger cause of Education by starting a college and a Teachers' Training Center.

Vision

To prepare dynamic and caring citizens of tomorrow with the ability to think critically, communicate effectively and take decisions judiciously.

Mission

To impart sound education by forming within the students, habits of piety, virtue, discipline and self-reliance during their formative years. In addition aim at all-round integral development of the students so that they grow up as complete, rational, and responsible global citizens who are committed to the development of their country.

Principal's Message |

Established in 1963, Ram Narayan Singh Memorial High School was started with vision to prepare young minds for a better future.

The school that began its journey at Dr. Narayan Roy Sarani in North Kolkata also has a campus in the south of the city at Rajdanga Main Road.

Over the years, the management and staff of the school have been striving to provide the best of infrastructures for academic excellence and co-curricular activities so that our students develop to become true global citizens of India.

At RNS, I wish every student grows up to become a complete man or woman.

Thank you.

Usha Singh

Facilities to groom

Classrooms: The classroom size is optimum, designed for no more than 40 students. Furniture and classroom ambience is a result of careful planning. Cheerful colors, balanced lighting and careful positioning of work spaces contribute to the overall feeling of welcome. All classrooms are airy for comfort and to maximize output of both students and faculty.

Laboratories: The students at RNS have the facility to learn their science through experiments in well-equipped Physics, Chemistry and Biology labs under the supervision of experienced teachers.

JUNIOR SCHOOL

JUNIOR SCHOOL—the first step

Learning ought to be a joyous experience. The teaching system at RNS is meant to relax the child. The moment children approach the school, they are exposed to a soothing atmosphere. Learning goes even beyond the classroom, opening every child's mind to the many opportunities that shine in this ever changing universe.

Loving, caring and well-trained teachers implement a happy blend of Montessorian and traditional teaching approach. All to ensure your child's time in the school is a happy learning experience.

Under the able guidance of skilled teachers students go through stress free assessments. Parents are always kept informed about their child's progress.

Our endeavour is to bring out the true potential of each individual by encouraging every student to participate in projects, competitions, excursions, social work, awareness drives and self-development sessions.

Camping: To enhance the leadership and self-reliance capabilities of the students the school organizes Summer Camp during the summer vacation. Scout Camp is also arranged every year. The school also organizes Trips and Excursions for the students to familiarize with our country's culture and heritage.

Responsibility sharing

Students' Council: A sense of responsibility is built amongst students with the creation of Students' Council.

Teachers: They are the pillars of the school and act as friends, philosophers and guides for the students in their formative years. At RNS, all teachers are well trained and have years of experience in the field.

Teacher Orientation Programme: The teachers of our school are dedicated and committed to their vocation. They undertake regular in-service training to upgrade teaching skills and stay in step with the latest teaching methodologies.

Parent Orientation Programme: Parents are as much part of their child's upbringing as the teachers. The school regularly organizes Parent-Teacher meetings to discuss the progress of their child.

Counselling: Children are helped to understand and cope with the various problems they face in their academics. They are also advised on how to cope with stress. Renowned academic counselor Mr. Amitabh Mohan of HLS India is our special adviser.

Grooming Skills: Students regularly participate in workshops organized by the school on career and personality development to take on the world and grow as full rounded individuals.

Security: The school follows strict rules, when it comes to security. No student from the primary and middle school is allowed to go home without the guardian or approved escort and they have to present an ID card at the gate to do so.
